I would like to be entered in the raffle for 2 workshops: YES \_\_\_\_\_ NO \_\_\_\_\_

Workshop payment made at time of registration must cover your most expensive choice (or your 2 most expensive choices if you are requesting a second workshop). ALL workshops are determined by lottery. Please rank your choices next to the workshops in order of preference.

Registration must be postmarked by December 15th, 2024, to be a part of the workshop lottery.

**\*\* PLEASE SPECIFY A SINGLE ORDER OF PREFERENCE FOR ALL WORKSHOPS**

*IE: Morning and Afternoon sessions are NOT separate. Do NOT specify choices 1, 2, 3 for the morning and 1, 2, 3 for the afternoon as this causes confusion during the lottery. We make sure all participants have a chance for 1 workshop before we draw workshops for those who have requested a second workshop. Preference is given to Full Registrants before Single Day Participants.*
